Subpart C—Grazing Fees

AUTHORITY: 16 U.S.C. 551; 31 U.S.C. 483A; 43 U.S.C. 1901; E.O. 12548, 51 FR 1986 Comp., p. 188.

§ 222.50 General procedures.

(a) Fees shall be charged for all livestock grazing or livestock use of National Forest system lands, or other lands under Forest Service control. An exception is livestock authorized free

of charge under provisions of § 222.3(c)(2)(ii) (B) through (G).

(b) Guiding establishment of fees are the law and general governmental policy as established by Bureau of the Budget (now, Office of Management and Budget) Circular A-25 of September 23, 1959, which directs that a fair market value be obtained for all services and resources provided the public through establishment of a system of reasonable fee charges, and that the users be afforded equitable treatment. This policy precludes a monetary consideration in the fee structure for any permit value that may be capitalized into the permit holder's private ranching operation.

(c) A grazing fee shall be charged for each head month of livestock grazing or use. A head month is a month's use and occupancy of range by one animal, except for sheep or goats. A full head month's fee is charged for a month of grazing by adult animals; if the grazing animal is weaned or 6 months of age or older at the time of entering National Forest System lands; or will become 12 months of age during the permitted period of use. For fee purposes 5 sheep or goats, weaned or adult, are equivalent to one cow, bull, steer, heifer, horse, or mule.

(d) No additional charge will be made for the privilege of lambing upon National Forest System lands, or other lands under Forest Service control.

(e) Transportation livestock may be charged for at a special rate, and at a minimum established for such use. Fees for horses, mules, or burros associated with management of permitted livestock on an allotment, or for research purposes and administrative studies, and authorized on a charge basis, are determined under provisions of paragraph (b) of this section.

(f) The fees for trailing livestock across National Forest System lands will conform with the rates established for other livestock. Where practicable, fees for trailing permitted livestock will be covered in the regular grazing fee and the crossing period covered in the regular grazing period.

(g) All fees for livestock grazing or livestock use of National Forest System lands or other lands under Forest Service control are payable in advance
